# WELCOME TO HIGH GOSFORTH PARK & BRANDLING HOUSE

---

High Gosforth Park lies just north of the city of Newcastle upon Tyne. The 1762 Grade II listed Brandling House is situated at the heart of the 812 acre estate, which also encompasses the Racecourse, Parklands Golf Club and our very own pub, The Border Minstrel.

Formerly the home of the Brandling family, the Grade II listed mansion house was transformed in 1880 when it was established as a racecourse. With its history and parkland setting, High Gosforth Park now offers a stunning location for racing, events, and so much more.

Brandling House plays host to conferences, exhibitions, meetings and banquets, and the extensive grounds accommodate outdoor events, concerts and family fun days.

Its proximity to the major A1/A19 motorways and Newcastle International airport, make it the ideal central meeting point for the region's businesses.
